**Subject:** Re: subpoena

As discussed in our call, we will not agree to the sweeping language in the PO that you proposed. If there are medical, financial, other personally-identifying information that appropriately should be marked confidential, we will agree to that.

Will you be filing a motion for a protective order this week? Compliance with the subpoena was due several weeks ago at this point.

We will file for a protective order if your client will not agree to let us mark documents confidential as we provided in the protective order.
